Register now: <http://bit.ly/BAPN2021>

**This meeting has been generously supported by the following industry groups:**

Recordati, Alexion, Vifallo, Pfizer, Advicenne and Sandoz.

The programme and content of the meeting have been produced independently by the BAPN and the named speakers.

If you would like to come to the BAPN winter meeting and to have your virtual experience enhanced by a real life **delegate pack** please book on or before **14<sup>th</sup> February** at <http://bit.ly/BAPN2021>. The delegate pack will feature a selection of drinks and edible goodies to enjoy on the day in the comfort of your own home/office.

**We also invite members to submit short presentations** via email to [BAPN@renal.org](mailto:BAPN@renal.org) by **Friday 19<sup>th</sup> February**.

- a) **Innovations and Patient Safety** – Send max 300 words summary on either on a case, case series or innovative practice you are doing to improve patient care and / or patient safety.
- b) **Scientific abstracts** - send max 300 words structured abstract to present the results of a research study, either clinical or lab based.
- c) Any aspect relating to the themes listed in the programme section on “Supporting each other through the challenges of a digital age” - send max 300 words summary.
- d) Any other area of interest to the BAPN membership - send max 300 words summary.

The top scoring abstracts will be invited for 8+2 min oral presentations, or for one minute flash abstracts.

Prizes will be presented for top scoring talks given by trainees, medical students, nurses or allied health professional (below consultant, consultant nurse or consultant therapist grade).
