Advances in Paediatric Dialysis

Friday 17 May 2019

Kennedy Lecture Theatre
UCL Great Ormond Street
Institute of Child Health, London

This study day is aimed at doctors and nurses working with children on dialysis. It forms part of the core curriculum for training in Paediatric Dialysis. From the basic principles of dialysis and practical workshops on vascular access to state-of-the-art lectures, this is your opportunity to hear experts discuss haemodiafiltration and home haemodialysis treatments in children.

Who should attend?
- Consultants and Junior Doctors
- Nurses
- Dialysis technicians
- Dietitians and other allied health professionals
- Industry Members

Fees:
Early Bird (until 14th March 2019)
- Nurses & Allied Healthcare Professionals: £20
- Junior Doctors: £30
- Consultants: £50

Standard
(from 15th March 2019): £100
Industry Professionals
(fixed fee): £500
